Death of Mrs. Appleman.

Mrs. D. R. Appleman died at noon last Saturday at her residence on the Hickory Road, in Chesterfield county. Mrs. Appleman was the widow of Rev. D. R. Appleman, who aied a few months ago, and is survived by five children, who are Mr. Isaiah Appleman, Miss Annie Appleman, and Mrs. A. E. Ingram, of Chesterfield; Mrs. S. J. Poarch, of Spencer, S. C., and Mrs. Emmett Wade, of Ettrick. The funeral took place from the residence Sunday afternoon, and the interment was in the burying ground at Wood's Church.

"I am now eighty years old and one morning, three years ago, I was taken with a hard pain in my right side. In two days I had an attack of piles (hemornhoids), bleeding and protruding. The doctor gave me some medicine and an ointment for them which helped me some but I had to keep using them all the time. Then I changed to the P—remedy; but if I did not repsite every day, I would get worse. The doctor said the only help for me was to go to a hospital and be operated on. At this time, about a year ago, I went to using the S—remedies. I tried them for four or five months but did not get much help for my piles. During this time sores would come on a fleshy part of my body. They bothered me all the time. I would get one healed and another would come. These sores changed to eczema, accompanied by a terrible itching. It seemed as if I could not keep my hands from tearing my flesh. This and the pile trouble brought on an inflamed condition. Then I got the Cuticura Remedies. I washed the affected parts with Cuticura Soap and warm water in the morning, at noon, and at night, then used Cuticura Ointment on the Irritated surfaces and injected a quantity of Cuticura Ointment with a Cuticura Suppository Syringe. I also took Cuticura Cintment with a Cuticura Suppository Syringe. I also took Cuticura Resolvent Pills three times a day, It took a month of this treatment to get me in a fairly healthy state and then I treated myself once a day for three months and, after that, once or twice n week. It is fortunate that I used Cuticura. The treatments I had tried took a lot of money that I would have saved by using Cuticura Remedies sooner, but I am wiser now. I am supplied with a full set of the Cuticura Remedies and would not feel safe without them. If H. Henderson, Hopkinton, St. Lawrence Co., N. Y., Apr. 26, 1907."

The delegates elected are for Taft for President. Mr. Lon Simmons, in his speech, particularly commended the President for his policy against trusts, and said we were on the pinnacle of a crisis which could only be averted by continuance of the Republican party in power. He failed to tell what caused the crisis.

The speeches in the main were such as usually characterize such conventions,

ELECTION NULL AND VOID.

Local Option Contest in Pecahontas
Heid Too Close to General Election.
[Special to The Times-Dispatch.]
TAZEWELL, VA., March 17.—The
local option election held in Pecahontas, this county, on December 19, 1907,
in which the drys won by ten majority,
was to-day declared null and void by
Judge W. J. Henson, of the Tazewell
Circuit Court.

The election was held within two
days of the special congressional election of December 17th to elect a successor to Campbell Slemp. The election was contested by the wets on
various grounds, the ground chiefly
relied on being that the election was
held in violation of section 586 of the
Code, which provides that no local option election shall be held within
thirty days of any county, corporation,
State or national election. All of the
grounds relied on by the contestants
were decided against them except the
one above mentioned.

The court's construction of section
586 is that it is a mandatory statute,
and as such expressly prohibits a
local option election bend within
thirty days of such other elections, and
that its object is to prevent "log roilting" and trading of votes; that this
statute, according to its letter and
spirit, applies to both general and special elections, and that the word "mational" used in the statute was equivalent to and meant "Federal." and that
the special congressional election was
a Federal election.

The court is of the opinion that the
Pocahontas election could not be upheld without violating both the letter
and spirit of the statute.

This is the first case in Virginia in
which it became necessary for a Circuit Court to construe said statuit. The
law provides that the judgment of the
Circuit Court shall be final.

Cue of Lige Wright to Be Heard Before Judge Skeens This Week.

FREELING, VA., March 17.—Judge Skeens court is in sossion at Clintwood this week. The most important case to be tried at this term is that of Lige Wright, charged with killing William Sifers in February, The prosecution will be conducted by O. M. Vicars, of Wise, and Judge A. A. Skeen, of Clintwood. It is thought that the Commonwealth will present a strong case against Wright. He is one of the Kentucky mountain feudists and has served two terms in the Kentucky penitentiary. He is said to have killed one of his brothers in that State and also to have killed Newton Ramey, formerly of this State, for a trivial cause, He is a distinct type of the mountain feudists of Kentucky, and has a wonderful knack at getting up trouble wherever he goes.
